

H1N1 Vaccination Clinic Schedule for Morris County Municipalities

Public clinics are being scheduled throughout Morris County as more and more vaccine is available. Clinics will be conducted during the months of November, December 2009 and continue into 2010. Priority will be given to the high risk populations identified by the federal Centers for Disease Control (CDC). For more information about the H1N1 flu see the CDC web site at www.cdc.gov and the New Jersey Department of Health and Senior Service at www.state.nj.us/health. For detailed information about each municipal clinic see the local health department's web site listed below. .
