**Wildwood Music
Strings and Guitar**

Dear Parents and Students:

I hope you have all had a great summer and are looking forward to another exciting school year. I am pleased to tell you that the comprehensive music program that Wildwood school has enjoyed in the past is continuing to thrive. Strings and guitar lessons and ensembles will continue to be offered this year in grades four and five. While I will also be taking on some general music classes in the morning, there will still be limited lesson time slots for guitar and strings. The before-school ensemble rehearsals will continue as well.

Since no recruiting was done this past June, I will be working out a lesson schedule at the beginning of the year after students indicate their interest. Please complete the bottom portion of this letter and return it to school by September 2nd, 2010. You may contact me via e-mail if you have any questions.

It is very important that our students continue to be enriched by a comprehensive music education program. It is remarkable what students have achieved in recent years and it is wonderful to see this continue. Thank you!

Sincerely,

Matt Jardim
Teacher of Stringed Instruments
